What is this type of Insurance?

This policy covers the excess amount that you have to pay for any successful claims made for damage, destruction, or loss of your motor vehicle under your motor insurance policy. This is subject to the terms, conditions and limitations shown in your policy wording or as amended in writing by us.

What is Insured?

- ✓ This policy covers the excess amount that you have to pay for any successful claims made for damage, destruction, or loss of your motor vehicle under your motor insurance policy. The claims can be for accidents, fire, theft, or vandalism. If the accident was your fault, the claim will be settled when the claim handler receives the settlement letter from your motor insurer, proof of your excess payment and a copy of your motor insurance policy schedule. If you are partially or not at fault and your excess amount is not recovered from the other party within six months of the incident date, we will reimburse the excess payment you made, up to the annual claim limit stated in your policy schedule.
- ✓ This policy only comes into effect when the excess amount of your motor insurance policy has been exceeded and a successful claim payment has been made.
- ✓ The most we will pay under this policy is the annual claim limit stated in your policy schedule. Once this limit is reached, the policy is automatically cancelled, and you will be responsible for paying all future excess amounts as shown in your motor insurance policy.

What is not Insured?

- ✗ Any claim that the motor insurance policy does not accept or where the excess is not exceeded.
- ✗ Any claim that is refused under your motor insurance policy.
- ✗ Any claim unless relating to your motor vehicle as detailed in your policy schedule.
- ✗ We will not pay for any incident that occurs during the first 14 days of this policy (the waiting period) unless this policy is a renewal of an existing motor excess insurance or has been purchased within 14 days of your motor insurance policy or an additional policy from Aequitas Automotive Limited.
- ✗ Any claim where the motor vehicle is being used:
 - a) For commercial use, business use class 3 or hire and reward unless your motor vehicle has been declared as a Business Car, Commercial Vehicle or Taxi.
 - b) In any competition, trial, performance test, race or trial of speed, including off-road events, whether between motor vehicles or otherwise, and irrespective of whether this takes place on any circuit or track, formed or otherwise, and regardless of any statutory authorisation of any such event.
 - c) For any purpose in connection with the motor trade.
- ✗ Any claim under your motor insurance policy which happened before the period of insurance that you were aware was an imminent claim.
- ✗ Any claim notified to us more than 31 days following the successful settlement of your claim under the motor insurance policy.
- ✗ Any contribution or deduction from the settlement of your claim against the motor insurance policy other than the stated policy excess for which you have been made liable.
- ✗ Any claim that has been waived or reimbursed.
- ✗ Any liability that you accept by agreement or contract unless you would have been liable anyway.
- ✗ Any claim arising from glass repair or replacement.
- ✗ Any claim arising from breakdown or mis-fuel.

Are there any restrictions on cover?

- You must tell us straight away if anything you have already told us changes or if there is any new information that increases the risk of any loss insured under your policy.
